CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

On February 25, 2016 at 9:39 a.m. the City of Riverside Fire/Police dispatch received a call for a hiker who had fallen within the Sycamore Canyon Park near the Central Ave on the Farside trail. A fire engine and AMR were dispatched to the incident. The engine company Captain arrived on scene and was able to determine the patient was ½ mile from the Ameal Moore Nature Center on Central Ave with difficult access. The engine company crew hiked in and provided ALS treatment and care. ATV-1 was dispatched from the Downtown Station to respond. The patient location was found to be at the intersection of the Fairside Trail and Slip and Slide Trail near the Cougar Rock Formation. The patient was packaged up and transported by ATV-1 to AMR staging at the Ameal Moore Nature Center on Central Ave. AMR transported the patient to a local area hospital with minor injuries lower leg. A total of 10 fire department personnel responded to the incident.
